

Remarks:

Regarding claim rejections under 35 USC 101:

Applicant's claim 13 stands rejected under 35 USC 101 as being directed to non-statutory subject matter. With this paper, Applicant cancels claim 13.

Regarding claim rejections under 35 USC 102:

Applicant's independent claims 1, 12, and 13 stand rejected under 35 USC 102(e) as anticipated by Wilson et al. (6,714,976). With this paper, Applicant cancels claim 13, and amends independent claims 1 and 12 to include the limitation of claims 2 and 3 (and cancels claims 2 and 3), and to include displaying a link from information related to the filtered events being displayed for accessing related information (see Applicant's specification, paragraphs {0035} - {0036}). Applicant believes that independent claims 1 and 12, as amended here, are now allowable, and so therefore are their respective dependent claims 4-11.

Regarding claim rejections under 35 USC 103:

Applicant's dependent claim 8 stands rejected under 35 USC 103 over Wilson, in view of Saylor (2002/0049838). Independent claim 1, upon which claim 8 depends, is amended with this paper as discussed above.

Summary:

For at least the aforementioned reasons, Applicant respectfully holds that claims 1 and 4-12 as amended here are allowable, and respectfully asks the Examiner to allow these claims.

Applicant sincerely thanks Examiner, and requests that the application now pass to issue.

Respectfully submitted,

By: 

David R. Irvin
